Financial Policy

I have received the Rosewood Periodontics Financial and Insurance Policy that outlines my financial responsibility toward care rendered by the doctors at Rosewood Periodontics. I understand that the guarantor on the account will be responsible. If my child has an appointment the guarantor on the account will be responsible for payment at the time services are rendered.

Appointment Cancellation or No-Show Policy

I take full responsibility for the cancellation/rescheduling of any needed appointments. A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment, WE REQUIRE AT LEAST A 24 HOUR NOTICE PRIOR TO YOUR APPOINTMENT TIME to avoid a \$45 cancellation fee. Many patients are waiting months in advance for appointments, please respect our schedule and our other patients by giving us time to fill your reserved spot with another patient in need of care. Rosewood Periodontics reserves the right to dismiss the patient from the practice after 3 missed or late cancelled appointments.

Medical/Dental Release Statements

I give my consent for the doctors of Rosewood Periodontics to complete a thorough examination on myself or the patient named above including any needed diagnostic radiographs. To the best of my knowledge the information I have provided is accurate and I understand that it will be held in the strictest of confidence and in accordance to all federal and state HIPAA regulations. Further more, I understand that it is my responsibility to inform Rosewood Periodontics of any future changes to my or my child's medical history status. I also hereby grant the doctors and staff of Rosewood Periodontics permission to perform future treatment(s) as deemed appropriate. I understand that all necessary treatment will be explained prior to commencement and that I am responsible for payment in full at the time services are rendered, unless prior arrangements have been approved.

Insurance Claim Release & Financial Responsibility Statement

To precipitate the filing of this and all future dental insurance claims, I do hereby authorize the release of confidential information to my dental insurance company. I am aware that Rosewood Periodontics will be providing an estimate of the insurance coverage prior to initiating any future treatment and that I am legally responsible for any portions not paid by this policy. I understand that additional out-of-pocket expenses may be accrued should estimates provided by my insurance company be inaccurate or should procedures change during the course of the treatment. Furthermore, I am aware of my financial responsibility should my insurance policy fail to pay, for any reason, within 45 days of receiving such treatment.

Authorization for Direct Payment

I hereby authorize payment of insurance benefits directly to Rosewood Periodontics or the dentist that performs my treatment. Furthermore, in the event of payment default for services previously rendered, I also agree to pay all reasonable collection and/or legal fees incurred in an attempt to collect on this amount.

Notice of Privacy Practices, Health Insurance Portability & Accountability Act of 1996

I do hereby provide consent for the standard use of such information and understand that these provisions prohibit Rosewood Periodontics from selling or transferring this information to any unauthorized locations without my prior approval. FINANCIAL POLICY AND INSURANCE INFORMATION

Methods of Payment

For your convenience we accept cash, check, and all major credit cards (Visa, MasterCard, American Express and Discover). We gladly offer and accept payment plans through CareCredit for dental treatment.

As we strive to be one of the area's leading providers for periodontics and dental care, we work to assist patients in taking an active role in their dental health. Because we value our relationship with you and believe that the best relationships are based upon understanding, we offer these clarifications on methods of payment & insurance reimbursement.

At each visit, we will request a copy of your dental insurance information to allow us to file your claim. Please remember to bring all dental insurance information/insurance card(s) to each appointment. Please contact Rosewood Periodontics immediately after making any changes to your dental coverage, so we can keep our records current and to provide expeditious reimbursement of your benefits.

If any treatment needs are discovered during your or your child's exam, we will provide you with a cost estimate indicating our total fee, what we anticipate your insurance coverage to be, and your ESTIMATED out-of-pocket portion for the treatment plan. We will discuss all treatment options and costs before beginning any further treatment. We know that dental insurance can be confusing so feel free to contact us with insurance or payment questions.

Dental Insurance

We are dedicated to providing all our patients with the best treatment available and base all our treatment recommendations on what will be best for you or your child and not what your insurance company does or doesn't pay. Please note the following in regards to your dental insurance coverage:

- 1. We must emphasize that as a health care provider, our relationship is with you and not your dental insurance company. Your dental insurance is a contract between you, your employer and the insurance company. Most plans routinely pay between 50-75% of the average total fee for a given procedure. This percentage is pre-determined by the plan your employer has purchased.
- 2. As a courtesy, we will be happy to file for your insurance benefits. Because your dental insurance plan is a contract between you, your employer, and the insurance company, many carriers will not reimburse our office. In this instance, you will be responsible for the full cost of each visit at the time services are provided and your insurance company will send you the reimbursement check directly.
- 3. Any amount not covered by your insurance company is payable at the time services are rendered. These fees may include deductibles, co-payments or certain procedures not covered by your insurance policy. Unfortunately, some of the services that we may recommend for your child may not be covered by your specific dental insurance. Our primary goal is to treat you and your child using the best possible materials, supplies, medications and environment.
- 4. We allow a maximum of 45 days for your insurance company to clear account balances. **Any unpaid portions will be due in full, by you, after this period.** If you have not paid your balance within 60 days of the date treatment was rendered, a finance charge of 1.5% will be added to your account each month until paid. Should your insurance company submit payment after this time, we will be glad to reimburse you. This is rare but is important that you recognize that your insurance is a legal contract between you and your insurance company. Our office is not, and cannot be part of that legal contract. Ultimately you are responsible for all charges incurred in our office.
- 5. Our office does not determine your dental benefits. Your employer chooses your particular policy. If you are unhappy with it's coverage, this should be mentioned to your employer's benefits coordinator. Only your employer can adjust benefits.

Prior to completing any treatment, we will provide you with a cost estimate indicating our total fee, what we anticipate your insurance coverage to be, and your estimated out-of-pocket portion (estimated patient portion or EPP). Please remember, this is only an estimate based upon generalized information provided by your dental insurance company. An additional billing or possibly a refund may be subsequently required should information provided be inaccurate.

We will always do our best to maximize the insurance benefits that you are eligible to receive and we appreciate your prompt settlement of any charges that may be incurred during the treatment process. We look forward to years of close association with you, as we work together to maintain your oral health!
